

**AEJMC MIDWINTER CONFERENCE AT THE UNIVERSITY OF
OKLAHOMA!**

AEJMC MIDWINTER CONFERENCE 2025
March 7-8, 2025

Gaylord College of Journalism and Mass Communication
University of Oklahoma

General Call for Paper Abstracts and Panel Proposals:

The AEJMC Midwinter Conference is an annual forum for the presentation of research and debate in areas relevant to the AEJMC groups (divisions, interest groups and commissions) sponsoring the event. The conference provides a platform for presentations and extended discussions in a relaxed setting.

We are happy to host the upcoming conference again at the Gaylord College, University of Oklahoma in Norman, Oklahoma between March 7 and 8, 2025. Conference participants will be able to enjoy the College's state-of-the-art teaching and research facilities, as well as the city's and campus' world-class museums, art galleries and restaurants in person.

Paper abstract submissions: Authors are invited to submit research paper abstracts of between **600 and 800 words** (word count excludes author information and references) appropriate to **one** of the Divisions or Interest Groups represented at the conference. Abstracts should give a clear sense of relevant literature, research objectives, methodological approach, stage of research project (conceptual, data gathering, data interpreting), findings and conclusions.

Submissions should be done online and by the December 15, 2024 deadline at <https://cmt3.research.microsoft.com/AEJMCMidwinterConference2025/> Submission/Manage.

When submitting an abstract, please follow these steps:

1. Go to the abstract submission website <https://cmt3.research.microsoft.com/AEJMCMidwinterConference2025/Submission/Manage>.
2. In the “AEJMC Midwinter 2025 Login” box, click on “Sign up here” as new user if you have not used this service before. Otherwise, just log in using your existing login.
3. It will take you to a sign-up wizard, which is self-explanatory and guided. Finish signing up by confirming your email address.
4. Once the account is set up, sign in using your email address and password.
5. To submit the abstract, click on “Create a new Paper Submission”, and select the division/interest group you want to submit your abstract to.
6. The next step will require you to provide the title of the paper, an abstract (9,000 **characters** maximum). If your abstract’s character count exceeds 9,000 **characters**, you can also attach it as a Word doc or PDF file. *However, you cannot leave the abstract box empty, write a brief abstract or keywords for your paper abstract if you choose to upload it as an attachment.*
7. Next you can add additional authors, if there are any. You can add as many authors as you need.
8. Finally, click the submit button to upload the abstract.
9. You can log in to the site at any time to check the status of your submission or if you need to edit something. You can only do this up to the submission deadline of **December 15, 2024, 11:59 p.m. Central Time**. You would not be able to make any changes to your submission after the deadline.

Note that authors can submit any specific paper abstract to only **one** participating group – submitting the same paper abstract to more than one group will result in disqualification and withdrawal from the review process. *Do not submit full papers* but please ensure that abstracts are between 600 and 800 words; shorter abstracts (i.e., 75 words) don’t allow for adequate

consideration with longer abstracts. **Authors must ensure that they remove any identifying information from their document.**

Authors of accepted abstracts will be notified by early January 2025. Studies presented at the midwinter conference are also eligible for presentation at the AEJMC national convention in August. Authors are encouraged to use the midwinter conference as an opportunity to get feedback on their research, to improve and finalize it for submission to the national conference.

Authors of accepted abstracts must submit complete papers (not exceeding 30 pages) to the discussant of their conference session at least **two weeks before the midwinter conference**. The midwinter chair for the relevant group will send authors the names and contact details of the discussant for their session.

At least one author of each accepted paper must register and attend the conference to present the paper. *Failure to register by the deadline will result in authors' names and papers being removed from the program. NO onsite registration will be available.*

Some groups participating in the midwinter conference have award opportunities (e.g. for travel). Authors are encouraged to contact the groups' individual midwinter chairs for details.

Panel submissions: In addition, the organizers are also inviting panel proposals. These panel proposals should **NOT** be done through the online abstract submission system. Instead, submissions for panels should be sent to the relevant midwinter chair directly via email (see list of participating AEJMC groups and the midwinter chair for each group below). The deadline for panel submissions is the same as for abstract submissions, December 15, 2024, 11:59 p.m. Central Time.

Panel submissions should include the panel title, a description of the session's focus, the issues to be discussed, and a list of panelists (potential and confirmed), including affiliation. Proposals should not exceed two double-spaced pages.

The University of Oklahoma is located in Norman, 20 miles south of Oklahoma City, with easy access to the Will Rogers World Airport. Details on conference registration, hotel accommodation and airport transportation will be available at <http://www.ou.edu/gaylord>.

For more information, please contact Elanie Steyn, Conference Site Host (elanie@ou.edu).
